

Appreciating local history, Ann Bedrick's artwork is included in Chester County Municipal Historic Resource Atlases and she creates illustrations for the Chester County Historic Preservation Network newsletter and Award certificates. For numerous parks, townships & historic sites/organizations Ann has created charcoal portraits, designed logos, letterhead, newsletter content, notecards & wayside boards. Early in her art career she did illustrations in newspapers for department stores e.g. Wanamaker, Hess's and Watt and Shand.
